

Privacy Policy

Physiomed Swiss GmbH

Welcome to the website of our physiotherapy practice. The following privacy policy applies to the use of our website and the services offered on it. This privacy policy informs you about the collection of personal data during your visit to this website. By using this website, you consent to the processing of your personal data in accordance with this privacy policy.

The collection and processing of your personal data is carried out in compliance with the applicable data protection laws and requirements. In all other respects, Physiomed Swiss GmbH rejects any liability for the use of this website.

In principle, our physiotherapy practice only offers its services in Switzerland and is only aimed at people residing in Switzerland.

Collection of general data and information

Each time the website is accessed, a series of general data and information is collected. This general data and information are stored in the log files of the server. The browser types and versions used, the operating system used by the accessing system, the website from which an accessing system accesses our website (so-called referrers), the sub-websites that are accessed via an accessing system on our website, the date and time of access to the website, an Internet protocol address (IP address), the Internet service provider of the accessing system and other similar Data and information that serve to avert danger in the event of attacks on our IT infrastructure.

This data and information are required to correctly display the content of our website, to optimize the content of our website, to ensure the long-term functionality of our IT infrastructure and the technology of our website, and to provide the necessary information to law enforcement authorities in the event of a cyber-attack.

Furthermore, our physiotherapy practice can evaluate this data and information statistically on the one hand and with the aim of increasing the data protection and data security of its IT infrastructure. The collected data and information will only be processed for the purposes just mentioned and will then be deleted.

Links from other websites

This website may contain links to websites of other providers. Our physiotherapy practice has no influence on these websites, their contents, offers or availability or the data protection declarations and regulations applicable there. It therefore rejects any liability.

Cookies and other services

Our physiotherapy practice may use cookies on its website. Cookies contain a so-called cookie ID, a unique identifier of the cookie, which assigns websites and servers to a specific Internet browser. A specific Internet browser can be recognized and identified using this unique cookie ID.

Such information about the use of this website (including your IP address) may, for example, in the case of Google Analytics, be transmitted to servers abroad and stored there. By using our website, you consent to the transfer of this data.

Our physiotherapy practice may use other third-party services to integrate their content and services, such as videos or articles, into the website. Such integration always presupposes that these third-party providers can collect and process the IP address and other information of visitors to this website. By using our website, you agree to this.

Social Media/Social Networks

Buttons ("social media plugins") may be placed on this website that establish contact with the servers of social networks (Facebook, Twitter, Instagram, etc.). By clicking on one of these buttons, you give your consent for necessary data such as IP address, visit to the website, etc. to be transmitted to the respective operator of the social network.

Communication

The website of our physiotherapy practice contains certain information that enables quick electronic contact as well as direct communication, which also includes a general e-mail address. If you contact us via the communication options offered on our website, your contact details and content will only be used to process and respond to your enquiry.

Please note: It cannot be guaranteed that your data will be transmitted confidentially. Therefore, no confidential data (medical concerns, etc.) should be transmitted when contacting us.

Your rights

Based on the Data Protection Act, you have various rights, such as a right to information. To assert your rights, please contact the physiotherapy practice. We will be happy to provide you with further information in this regard.

Changes

Our physiotherapy practice may amend this privacy policy at any time without prior notice. The current version published on our website applies. Insofar as the privacy policy is part of a contract with you, we will inform you of the change by e-mail or other appropriate means in the event of an update.
